PAUL WURTZEL
1688 SUNSET PLAZA DR., LOS ANGELES, CALIF. 90069

Dec-9, 1975 – Tues.

Dear Harold

Thanks for the autographed copy of Post Mortem. Hope your visit to the Dr. today finds you much improved. As I said on the phone – the small amount I have read proves the cover-up and what a fink Spector is.

If I don't speak to you before the holidays please have good health and good luck –

as ever,

Paul
